

## BIOGRAPHY:

### **PATRICIA ALFHEIM**

#### **Assistant Director, Strategic Engagement - CERT Australia**

Patricia Alfheim leads the Strategic Engagement team for the Computer Emergency Response Team (CERT) Australia in the Attorney General's Department. CERT Australia is the Government contact point for cyber security issues affecting major Australian businesses. With over 500 industry partners, it is a key element in the Australian Cyber Security Centre and has offices in Canberra and Brisbane.

In this role, Patricia leads a team that manages engagement opportunities with key stakeholders, the Australian community and the media. Patricia is passionate about educating and equipping Australians to stay cyber resilient through effective communication activities.
