

"Our mission is to guide businesses to sustainable growth by drawing on our experience, disciplines and collective executive capability."

Grant Burley

Director

Grant has significant broad based commercial experience across many Industries and enjoys a proven track record in turnarounds, business start-ups and acquisitions.

He spent around 30 years in the financial services sector and held such positions as Chief General Manager of Allianz, Managing Director and Founder of Pacific Premium Funding (Pacific), originated in 2001 with Stuart White prior to entering a joint venture with GE commercial Finance in 2004. Prior to the JV it facilitated loans in excess of \$400m (now over \$1B).

In 2010-11 he headed GE's Australian and NZ Sales Force Effectiveness (SFE) program across diverse GE businesses.

Grant has resided on Insurance Advisory boards to NSW and QLD Governments and was a key advisor to Australian and New Zealand Governments in relation to Anti Money Laundering legislation (AML) as it related to Insurance Premium Funding.

Grant is a past President of the Insurance Premium Funding Association of Australia (IPFAA) and is involved in many activities owning a residential village, leases specialty aircraft to New Zealand Government and is non-executive Chairman of think procurement.

Outside work Grant is a passionate pilot holding multi-engine fixed wing and rotorcraft licenses and has ferried many aircraft and crossed all major oceans often solo in single engine aircraft.
