

DANE PARSONS

Internal Audit Manager

Dane is an Internal Audit Manager at InConsult with 10 years' experience in completing and managing internal audits, organisational risk management, compiling and reviewing associated reports and presenting financial and operational reports to Boards and Audit Committees on a variety of topics.

Dane has extensive experience in creating and developing audit programs, increasing departmental efficiencies through audit work completed, completing sensitive fraud reviews, convening workshops to resolve common issues and management of organisational strategic risk registers.

Dane has held senior audit positions for Racing Victoria, Automotive Holdings Group and RSM Australia. Dane leads InConsult's internal audit and assurance projects for our clients across multiple industries.

Dane has a Bachelor of Commerce degree, Graduate Certificate in Internal Auditing and is a Certified Internal Auditor.
