

SUE MORRISON

Senior Consultant

Sue is an experienced internal audit practitioner with over 20 years' experience in local and state government. This included 10 years as the Chief Audit Executive for a large local government authority in NSW.

Sue has also spent a number of years providing public financial management and internal audit for aid programs across the Pacific including in the Solomon Islands, Vanuatu, Fiji, PNG and Tuvalu. Sue established an Internal Audit function for the Government of the Solomon Islands and Tuvalu including legislative and public financial management reforms. She acted as Public Finance Management Advisor for the Vanuatu Police and Justice Sector agencies.

Sue has presented at numerous conferences both national and international on internal audit related topics and was a member and spokesperson for the NSW Local Government Internal Auditors Network for over 10 years.

In addition, she is a published author in the IIA (Aus) Technical Journal and PASAI Newsletter.
