

TONY HARB

Director

Tony is InConsult's founding Director and a Chartered Accountant with over 25 years' experience in both internal and external audit, risk management, compliance, financial control, business acquisitions, corporate change, turnaround, strategic management and marketing.

Tony has held senior roles with Ernst & Young, Allianz and Combrook (now Recovery). As CEO of Combrook, he transformed the organization into one of the most profitable business units for Allianz. He has both local and international work experience in Singapore, Malaysia, UK, Canada and USA.

Tony is a respected risk management subject matter expert and has worked with Standards Australia and UTS to deliver ISO 31000 briefings in Sydney and Melbourne along with the ISO 31000 Chairperson Kevin Knight. He has also delivered papers at conferences in Australia and in Asia for international conference organisers, The Institute of Internal Auditors and The Actuaries Institute. Tony is also presenter of One Minute Risk Manager, InConsult's YouTube Channel.

Tony is an independent member of 2 Audit and Risk Committees.

Tony is a Deputy Local Controller and Emergency Officer with the NSW State Emergency Service (SES) responsible for planning, flood risk management, training and exercising. He is a qualified group trainer in Communication Equipment and Incident Management.
